

# Brand New *Hands-Free* Bulk Cereal Dispensers!

These clever, COVID-friendly options feature a push lever that can be pressed with a cereal bowl to activate the motor and dispense cereal instead of students turning the knob.

- Sleek design to create natural advertisement for students
- Turnstyle functionality to provide more regulated flow, helping to limit mess and waste
- Dishwasher safe parts and removable labels
- Smaller depth to take up less counter space
- Each dispenser set requires access to electrical outlet plug
- Works with all types and sizes of bowls

## New Bulk Cereal Dispensers Available in Traditional Form!

- All the great features of the Hands-free dispensers without the motor!
